

DataType::DataType

```
graph LR; A[DataType::DataType] --> B[mpcr::precision::GetInput Precision]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'DataType::DataType'. The right box is white with a black border and contains the text 'mpcr::precision::GetInput' on the top line and 'Precision' on the bottom line. A blue arrow points from the right side of the gray box to the left side of the white box.
