::Sweep

```
graph LR; A[RCPP_MODULE] --> B[RSweep]; B --> C[mpr::operations::basic::Sweep];
```

The diagram illustrates a sequence of three components connected by arrows. The first component is a white box labeled 'RCPP_MODULE'. An arrow points from it to a second white box labeled 'RSweep'. Another arrow points from 'RSweep' to a third, larger gray box labeled 'mpr::operations::basic::Sweep'.
