

`DataType::DataType`

```
graph LR; A[DataType::DataType] --> B[DataType::GetDimensions]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray fill and a black border, containing the text `DataType::DataType`. The right box has a white fill and a black border, containing the text `DataType::GetDimensions`. A dark blue arrow points from the right side of the left box to the left side of the right box.

`DataType::GetDimensions`
